

## Pay & Play

1. The purchaser will be charged the base price and will also be charged for all subsequent GAA Senior Championship 2020 matches involving the selected county regardless of attendance or intention to attend. Full details on the charge for each fixture are provided on GAA.ie. **So long as the Season Ticket remains valid you hereby expressly authorise us to retain details of your credit or debit card and to debit from the card stored with your registration details the relevant ticket price for each fixture.**
2. Juvenile Season Ticket holders will be charged the relevant stadium area price for juveniles for the fixture in question.
3. In the event that a Credit Card or Debit Card payment fails for a Pay & Play fixture this fixture will automatically become an "Opt Out" (see points 13 – 23). If there is a subsequent failed payment after all "Opt Outs" have been used, the GAA Season Ticket in question will be cancelled.
4. If a GAA Season Ticket is cancelled due to failed payments the GAA Season Ticket in question will not be eligible for renewal for the following year.
5. Any purchaser with an outstanding amount due from any previous season will not be permitted to purchase a Season Ticket for 2020.
