

Introduction

The Gaelic Games Go Games refers to a games development pathway that is aligned to the Gaelic Games Player Pathway Foundation 2 (F2). Emphasis during this phase is on further developing functional movement skills and the early acquisition of the specific skills of Gaelic Games. The child should have several years before participating in formal Gaelic Games competition.

Go Games is national policy of the GAA, Camogie Association, Ladies Gaelic Football Association, and their constituent units at provincial, county, club and educational level, responsible for the organisation and delivery of Go Games. Each unit must be aware of and comply with the provisions of this policy.

All units and members participating in Go Games are bound by the official rules of their Association.

The purpose of this policy is to deliver a structured, standardised, and unified approach to the development of our young players across all three Associations. We want Go Games to provide children with an appropriate introduction to competition on a phased basis. The game itself provides a sufficient skill development challenge for children.

Above all this policy is in line with the Gaelic Games Player Pathway and its six key underlying principles:

1. Club is Core
2. Player Centred
3. Quality Coaching Experiences
4. Connection
5. Inclusive
6. As Many as possible for as long as possible

Defining Go Games

Go Games are modified small-sided versions of Hurling, Camogie, Gaelic Football and Ladies Gaelic Football which have been devised to cater for the development needs of children aged 7 and up to and including 12 years of age. Go Games can be played in a club, school and/or community setting to introduce children to Gaelic Games. They allow children to have fun, grow, and learn, physically, socially, and psychologically and develop the key attributes for life. Go Games are inclusive, structured to cater for the needs, abilities and backgrounds of all participants.

Key Principles Underpinning Go Games

The key underpinning principles of Go Games are:

- I. All participants play in the Game i.e., everyone 'Has a Go'
- II. Games are small sided with modified playing rules to allow more time and space for players to master the skills, make decisions and as a result experience a sense of achievement.
- III. Participant needs are catered for at U7, U8, U9, U10, U11, U12. The U6 age grade or below is not permitted.
- IV. The games are progressive and inclusive, structured in a manner which optimises the level of fun, friendship, fair-play, and enjoyment.

V. Participants are coached aligned to their needs in a safe, supportive, and stimulating environment where they are encouraged to risk error, to learn and to derive maximum enjoyment from their involvement.

VI. Everybody involved in Go Games, whether as players, parents/ guardians, spectators, mentors, teachers, officials, etc., should adhere to the key underpinning of the relevant Gaelic Games Respect campaigns.

Organising Go Games

- I. Go Games U-11 and below must be organised on a blitz basis. Go Games may be organised by the County, Club, Primary School or at an approved venue on an internal (i.e., single unit) or external (i.e., multiple units) basis. A blitz or a festival must include a minimum of three clubs or multiple teams from two clubs
- II. The relevant County Coaching and Games Development Committee shall oversee the delivery of Go Games.
- III. U12 age grade is organised on a league basis. No knockout rounds are permitted as part of the U12 league programme

Go Games Playing Rules

- I. The playing rules for Go Games Hurling, Camogie, Gaelic Football and Ladies Gaelic Football are provided in Appendix 2. These playing rules are provided by way of best practice.
- II. Where units from different counties play a blitz, these playing rules will be used. The playing rules for Go Games Hurling, Camogie, Gaelic Football and Ladies Gaelic Football are provided in Appendix 2. These playing rules are provided by way of best practice.

Go Games Regulations

The following Go Games Regulations shall apply and are subject to general rules of GAA, LGFA and Camogie Associations.

Players should play within their own age cohort (either one or two class-year age eligibility).
19. At Club level, it is recommended that the playing season should commence at the beginning of April and continue to the end of September. In Primary Schools, it is recommended that the playing season should commence in mid-September and continue to May (not including school holidays).
20. There are no knock-out rounds (e.g. semi-finals, finals) in any type of Go Games. The exception is in a COUNTY ran league at U12 Age Grade, where win, loss and draw can be recorded Teams can get to finals, but every team should get to a final. Where a festival takes place the week of a blitz (i.e. the County Go Games programmes), the club is only permitted to participate in the blitz. For festivals (one-off events), an officer from the host club with an official Gaelic Games email address (i.e., @gaa.ie/@camogie.ie/@lgfa.ie) can apply. For details, see gaa.ie/gogames

- A blitz or a festival must include a minimum of three clubs or multiple teams from two clubs
- Where teams numbers are uneven, players from opposing teams can be mixed, play 'fly-goalie', change at half-time, etc.
- No scores recorded as there is no seeding, grading, promotion, relegation etc.
- Where team sizes are smaller to the max. stated, pitch sizes can be reduced relative to this.
- There are no knock-out rounds (e.g. semi-finals, finals) in any type of Go Games.
- There are no cups or trophies to be presented to any teams playing Go Games including tournaments and commemorative events
- Where prizes (e.g. medals, certificates etc.) are being given out, every child participating should receive the same.
