 - If, after both teams have taken five penalty kicks/pucks and both teams have scored the same number of goals, the penalty competition will continue but in sudden death format using the same five registered players until one team has scored a goal more

than the other from the same number of kicks/pucks.

- In sudden death, the same sequence of penalty takers does not have to be followed as in the first round of penalty kicks/pucks.
- Each penalty kick/puck is taken by a different player. All registered players must take a penalty kick/puck before any player can take an additional penalty kick/puck.
- The referee shall signal for the penalty to be taken. The penalty kick/puck is completed when the ball stops moving, goes out of play (including over the crossbar) or a goal is scored.
- Only the players involved in the penalty taking competition, as well as the Referee, Linesmen and Umpires are permitted on the pitch. With the registered penalty takers located between the 45m & 65m lines closest to the end selected by the referee. Goalkeepers to be located 20m from the goals.
- All other players (including substitute goalkeepers), managers, officials, backroom personnel etc. should be at their designated sideline area, and off the field of play when the penalty-taking competition is taking place.
- A goalkeeper who is injured (or sent off) while the penalty kicks/pucks are being taken and are unable to continue as a goalkeeper may be replaced* by the substitute goalkeeper who has been nominated in advance, provided the referee is notified. If in the event the substitute goalkeeper also gets injured, one of the registered penalty takers may replace* the substitute goalkeeper, provided the referee is notified. (*Once replaced, the goalkeeper/ substitute goalkeeper cannot be reintroduced as a goalkeeper at a later stage).
- In the event the goalkeeper who is injured while the penalty kicks/pucks are being taken and is unable to continue and is also a registered penalty taker, they may be replaced by a player who was on the field of play at the end of Phase 1 (i.e., end of Extra Time), provided the change is approved by the referee. If the goalkeeper has taken a penalty, the replacement cannot take a penalty until the next round of penalties.
- In the event a registered penalty taker is sent off by the referee while the penalty kicks/pucks are being taken, they may be replaced by a player who was on the field of play at the end of Phase 1 (i.e., end of Extra Time), provided the change is approved by the referee. If the sent-off player has taken a penalty, the replacement cannot take a penalty until the next round of penalties.
